

FAA Safety Forum

Guest speakers for Aviation Physiology, ADS-B, and a DVD playback of the pilot explaining his decisions and actions when the wings separated from his Glider and fell to earth while he parachuted safely. This forum will be scheduled for 3 hours from 6 until 9. We expect full attendance so register early. There are only 100 seats available.

Directions: Look for signs in lobby for direction to meeting room. Phone number is 844-839-8143. Previous forum filled to capacity of 100 seats. Register early.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
